Supporting Children & Adults with
Learning Disabilities in Manchester

Dream Days

Your guidelines for applying

- ☁ The applicant must be resident in the UK.
- ☁ Stockdales must receive written consent from parent or legal guardian for applicants under the age of 18.
- ☁ People over 18 can give their own consent. Where this does not apply, consent can be given through a consultation process.
- ☁ Applicants must have a recognised learning and/or physical disability. This is the group we aim to help.
- ☁ The Stockdales Dream Team will meet in February, May, August and November to review applications for Dream Days.
- ☁ The decision to grant a dream day is fully at the discretion of the Stockdales committee and their decision is final. Unfortunately, we can't give feedback on individual cases.
- ☁ Only successful applicants will receive notification from Stockdales.
- ☁ Applicants can share their Dream Day with people special to them or do it on their own. Stockdales will cover the cost of the activity including support.
- ☁ We operate a once in a lifetime policy to make sure we can make a difference to as many people as possible. Applicants can have one Dream only.
- ☁ Following an unsuccessful application, applicants must wait 12 months before reapplying.

 Please note that we reserve the right to withdraw an offer at any stage of the process if the request does not seem suitable for the needs of the applicant. Every effort will be made to offer an alternative Dream.

 Stockdales will carry out a full assessment and will need information about the applicant's health and disability.

 Applicant must be willing to disclose full details of their medical conditions so Stockdales can make the appropriate safety arrangements.

 Dream Days only grants experiences to people.
We can't consider:

Requests involving any type of medical treatment or therapy.

Requests for any housing or building work (including decoration) or garden landscaping.

Requests for vehicles or equipment of any kind.

 The applicant must agree to sign a media consent/release form. This means we can use any media from your Dream Day to promote the service to other people. This will also help us with our fundraising which is our only source of funding for this project.

 Thank you for taking time to read these guidelines.

I acknowledge that I have read and understand the guidelines for receiving a Dream Day.
